1. Whereas, after assessment of the current prevailing law & order situation in the state, the conditions are still critical and tense in the district Ambala, Kurukshetra, Kaithal, Jind, Hisar, Fatehabad and Sirsa. I am of the considered view that there is a clear potential of disruption of public utilities, damage to public assets and amenities and disturbance of public law and order in these districts on account of misuse of internet services by way of spread of inflammatory material and false rumours, which are being/could be transmitted/circulated to the public through social media/messaging services on mobile internet services, SMS services and other dongle services.

All telecom service providers of Haryana are hereby directed to ensure the compliance of this order.
4. It is emphasized that this order is being issued after taking utmost care of public convenience by exempting individual SMS, mobile recharge, banking SMS, Voice calls, internet services provided by broadband and lease lines of corporate and domestic households, thus not affecting the commercial/financial interest of the State and basic domestic needs of individuals.
